

**Orange.****Strawberry****Grapes****Lemon****Pear****Watermelon****Cucumber****Apple****Pumpkin****Onion**

Cut out the pictures.

Example commands: "Put the strawberry on the sofa," "Place the pear next to the window," "...the pumpkin on the rug"...

This activity helps children learn to recognize and name fruits and vegetables, practice spatial orientation (above, below, on, next to), and improve their ability to follow instructions. You can also create your own tasks, adjusting the difficulty level to the child's abilities.
